

Rotary Camp Enterprise
P.O. Box 414
Jackson, MO 63755

To all high school personnel:

Each year Rotary Clubs from the region combine forces to present an extraordinary educational experience for area high school juniors and seniors.

Area Rotary Clubs and business sponsorships make it possible to provide this event at no cost to students. Bus transportation will be provided with designated pick up locations to and from the site of the camp.

Three \$500 scholarships will be awarded to students attending Camp Enterprise as well as an additional scholarship that will be awarded to the school which has the highest percentage of participants based on the number of students enrolled in the junior and senior class.

Rotary Camp Enterprise is an educational, fun, learning opportunity where students will experience first hand activities designed to focus on the free enterprise system and entrepreneurial processes.

Rotarians and other community leaders will serve as mentors and facilitators in this student driven event.

For Rotary Camp Enterprise to be successful, your assistance is needed in making students aware of this opportunity and encouraging their participation.

Members of area Rotary Clubs will be available to present to the student body, specific classes or the faculty. To arrange for a program, please contact Brigitte Bollerslev at 243-5222 or 204-0106.

Seventy students will be chosen from the applications.

Please follow this timeline in order to ensure your school's participation:

- *January 5-10 Distribute applications to junior and senior students
- *February 1 Students must return applications to school personnel
- *February 15 School personnel are then asked to submit applications to the Rotary Camp Enterprise Committee.
- *March 1 Students will be advised of their acceptance and further information will be mailed to them.
- *March 14 Students will be dismissed from classes at noon in order to attend Camp Enterprise

Please contact Brigitte Bollerslev at 243-5222 or 204-0106.

A member of the Camp Enterprise Committee can be available for student or staff presentations if requested.

Sincerely,

Rick Shultz
